

IN SOME PARTS
OF THE WORLD,
THIS IS A GREAT
SOURCE FOR
CLEAN WATER.

**YOUR SPARE CHANGE HELPS BRING
CLEAN WATER TO THE WORLD.**

Nearly one billion people around the world don't have access to clean water. But your spare change can make a difference. Just collect any extra coins you find (or paper money), and contribute them to Drops of Change. Every little bit counts in our effort to change the global water crisis. For more information, visit dropsofchange.org.
